Yes. After this initial appointment, they will be considered CHC patients and can choose any CHC location as their medical home.</p>	<p>If child is a current Washington Apple Health enrollee, and it is a well child appointment, there should be no cost.  If child has already had a well child visit for that time period, there may be a cost for an office visit.  New Washington Apple Health enrollees may be billed for that day's services, then reimbursed by the health plan.</p>	<p>Yes, but we will try to get the families (or at least the children) enrolled in Washington Apple Health at the time of the appointment.  If not insured, CHC patients can be billed on a sliding fee scale for services received.</p>

	<b>INSURANCE</b>	<b>WALK-IN</b>	<b>COST</b>	<b>SLIDING FEE SCALE</b>
<b>CLINIC INFORMATION</b>	Can your staff help patients without insurance to get signed up or refer them for help to get insurance?	Can walk-in patients get immunizations that day?  Do they need to become patients of your clinic to do so?	Is there any cost involved with immunization visits or immunizations given as part of a well child visit to Washington Apple Health enrollees?	For families without insurance (and not wishing to enroll in insurance), can children and/or adults receive immunizations and pay according to a sliding fee schedule?  Would they have to become a clinic patient?
<b>International Community Health Services</b>  16549 Aurora Avenue N Shoreline, WA 98133 <b>(206) 533-2600</b>	Yes.	We can provide immunizations on a walk-in basis to established patients. But, we are not a walk-in clinic to the general public.	As long as their Washington Apple Health coverage is active, all preventative procedures, including recommended immunizations, are free of charge.	New patients need to be registered fully and to see an ICHS provider before getting immunizations.  Patients without insurance can apply for the ICHS sliding fee if they wish. Fees/discount levels are determined by a federally mandated sliding fee scale, based on family size and income level.  Patients should bring proof of income so we can determine their level of discount.
<b>Sea Mar Everett</b>  1920 – 100 <sup>th</sup> ST SE Bldg B Everett, WA 98208 <b>(425) 312-0202</b>	Yes.	Same day appointments are available. New patients who have insurance should change to a primary care provider at our location before the appointment. If they are unable to do so, we can assist them at the time of the appointment.	There is never an out-of-pocket cost for immunizations to patients who have active Washington Apple Health coverage.	Yes. Patients can receive immunizations and be billed according to a sliding fee scale. We will register them to document the visit, but they do not have to become our patients.
<b>Sea Mar Marysville</b>  9710 State Avenue Marysville, WA 98270 <b>(360) 653-1742</b>	Yes. We have a Customer Services Representative at the front desk that helps patients out with this. She can explain all the benefits that each company has to offer.	Yes. We have standing orders for our nurse to do immunizations. They do need to register as a patient because we need to have a chart on them to document the vaccines.	No. If they have active Washington Apple Health coverage, they receive state-supplied vaccine free of charge.	Yes. They would need to register as our patient to create a chart for the visit.
<b>Sea Mar Monroe</b>  17707 W Main Street Monroe, WA 98272 <b>(360) 282-3885</b>	Yes. We have a Customer Services Representative who is in charge of enrolling patients.	Yes. Walk-in patients can get immunizations the same day if they arrive before 4:00 pm. They do not need to become our patients.	There is no charge for immunizations given as part of a well child checkup for patients who have Washington Apple Health coverage. The child needs to be a Sea Mar Monroe patient to schedule a well child checkup.	No. They don't need to become our patients to qualify for the sliding fee scale, but they do need to bring proof of their income on the day of the visit.
