

Application for Snohomish County Death Certificate

Pursuant to the Revised Code of Washington 70.58.107, if we cannot fill your order because there is no matching record or because you cannot provide the required information, we are required to charge you an \$8 search fee instead of the \$20 per certificate fee. In that case, we will provide a partial refund to you. However, if your order is for a recent death, we will hold it until the funeral home has filed the certificate and fill your order at that time.
