

	INSURANCE	WALK-IN	COST	SLIDING FEE SCALE
Clinic Information	Can your staff help patients without insurance to get signed up or refer them to help to get insurance?	Can walk-in patients get immunizations that day? Do they need to become patients of your clinic to do so?	Is there any cost involved with immunization visits or immunizations given as part of a well child visit to Washington Apple Health enrollees?	For families without insurance (and not wishing to enroll in insurance), can children and/or adults receive immunizations and pay according to a sliding fee schedule? Would they have to become a clinic patient?
Community Health Centers of Snohomish County Lynnwood 4111 – 194 th Street SW Lynnwood, WA (425) 312-0202 (Walk-In Medical Clinic) Arlington 326 Stillaguamish Avenue Arlington, WA 98223 (360) 572-5400 Edmonds 23320 Highway 99 Edmonds, WA 98026 (425) 640-5500 North Everett 1424 Broadway Everett, WA 98208 (425) 789-2000 South Everett 1019 – 112 th Street SW Everett, WA 98204 (425) 551-6200	We will try to enroll families, or at least children, in Washington Apple Health at the time of the appointment.	At the Lynnwood clinic, they can show up during clinic hours and wait to be seen for the new patient appointment. Yes. After this initial appointment, they will be considered CHC patients and can choose any CHC location as their medical home.	If they are current Washington Apple Health enrollees and it is a well child appointment, there should be no cost. If they have already had a well child visit for that time period, there may be a cost for an office visit. New Washington Apple Health enrollees may be billed for that day's services, then reimbursed by the health plan.	Yes, but we will try to get the families (or at least the children) enrolled in Washington Apple Health at the time of the appointment. If not insured, CHC patients can be on billed on a sliding fee scale for services received.

International Community Health Services 16549 Aurora Avenue N Shoreline, WA 98133 (206) 533-2600	Yes.	We can provide immunizations on a walk-in basis to established patients. But, we are not a walk-in to the general public.	As long as their Washington Apple Health coverage is active, all preventative procedures, including recommended immunizations, are free of charge.	New patients need to be registered fully and to see an ICHS provider before getting immunizations. Patients without insurance can apply for the ICHS sliding fee if they wish. Fees/discount levels are determined by a federally mandated sliding fee scale, based on family size and income level. Patients should bring proof of income so we can determine their level of discount.
Providence Everett Healthcare Clinic 930 North Broadway Everett, WA 98201 (425) 317-0300	We will connect patients to community resources that will help them to obtain insurance.	All patients at the clinic need to be scheduled as new patients. We do not take walk-in patients at the Providence Everett Healthcare Clinic.	No. However, the child needs to be a patient of the clinic and be scheduled for a well child exam.	At Providence Everett Healthcare Clinic, we provide high-quality and compassionate care to all, regardless of their financial situation. We treat patients covered by all Medicaid programs, Medicare patients with or without supplemental coverage, as well as uninsured or under-insured individuals and families.
