

Snohomish Health District does not have a dentist to provide dental services but WIC enrolled clients may see a Registered Dental Hygienist for oral health screenings and education. The following dental clinics accept MEDICAID/APPLE HEALTH/PROVIDER ONE for covered dental services. Healthy Options plans in Snohomish County include: Amerigroup Washington, Inc., Coordinated Care Corp., Community Health Plan, Molina Healthcare, and United Healthcare Community Plan. When contacting a clinic, please note or ask about the services they provide. If MEDICAID/APPLE HEALTH/PROVIDER ONE does not cover needed services these clinics may offer reduced fees. We update these resources often so please go to our website (www.snohd.org) for the most current version. Under 'quick links' click on 'find a low cost dentist' then click on 'Low Cost Dental Resources'.
