

# NOTICE TO ALL VISITORS:

An increased number of gastrointestinal illnesses have been observed in this community. We have implemented control measures to reduce the spread of illness throughout the facility.

Please take the following precautions to avoid getting or spreading this illness:

- ❑ **Wash your hands frequently**, especially before and after visiting
- ❑ Inform \_\_\_\_\_ if you observe any areas requiring cleaning
- ❑ **Please do not visit if you are currently ill**
- ❑ Consider postponing your visit until after this wave of illness has passed
