

- **DSHS/Provider One coverage for adult dental services is reduced to emergency services only, effective January 1, 2011:** Emergency services include: some x-rays, extractions, temporary relief of infection/pain and other treatments for those needing chemotherapy or transplants.
- **Dental services remain unchanged for children with DSHS/ProviderOne coverage.**
- **As of July 1, 2011, DSHS covers authorized dental care for pregnant women only with proof of pregnancy:** Must provide proof of pregnancy with a letter from MD/health care provider stating babies due date.
- **On October 1st, 2011, some adults with disabilities will no longer be covered.** Please talk to your case manager.

MOBILE DENTAL SERVICES

Medical Teams International – Voice listing of current sites 1.425. 284.1950
The mobile dental van programs utilize dental professional volunteers to provide urgent care dental services to low-income patients (primarily adults) who lack dental insurance or any realistic way to pay for the care the patient needs. They typically do not provide dentures, bridges, root canals, cleanings or other specialty services. Dental clinics are open to the residents/clients of their facility. They visit 11 sites currently in Snohomish County, usually monthly. Availability changes frequently. PLEASE NOTE: Waiting lists vary from 6-18 months for current clients. Low cost - Varies by site: \$5-25.00 per visit. Does NOT accept DSHS.

WDS Foundation Smilemobile
The Washington Dental Services Foundation mobile dental van provides routine preventive and restorative services to children with ProviderOne/Medicaid coverage that are 0-18 years old.
