

# Commonly Generated Hazardous Waste

Industry Type	Commonly Generated Hazardous Waste
Aerospace	<ul style="list-style-type: none"> <li>Acids/Bases</li> <li>Heavy metals</li> <li>Reactives</li> <li>Spent solvents/Solvent-soaked rags</li> </ul>
Autobody Shop	<ul style="list-style-type: none"> <li>Lead acid batteries</li> <li>Paint booth filters/Paint wastes</li> <li>Sanding dust with heavy metals</li> <li>Spent solvents/Solvent-soaked rags</li> <li>Used oil, antifreeze, refrigerant</li> </ul>
Automotive Repair	<ul style="list-style-type: none"> <li>Acids/Bases</li> <li>Cyanide wastes</li> <li>Heavy metals</li> <li>Ignitable wastes</li> <li>Lead-acid batteries</li> <li>Spent solvents/Solvent-soaked rags</li> <li>Used oil, antifreeze, refrigerant</li> </ul>
Boatbuilders/Boat Repair Yards	<ul style="list-style-type: none"> <li>Heavy metals</li> <li>Ignitable wastes</li> <li>Paint wastes</li> <li>Spent solvents/Solvent-soaked rags</li> <li>Used oil, antifreeze</li> </ul>
Building Cleaning/Maintenance	<ul style="list-style-type: none"> <li>Acids/Bases</li> <li>Floor strippers/Waxes</li> <li>Heavy metals</li> <li>Pesticides</li> <li>Preserving agents</li> <li>Spent solvents/Solvent-soaked rags</li> </ul>
Chemical Manufacturers	<ul style="list-style-type: none"> <li>Acids/Bases</li> <li>Cyanide wastes</li> <li>Heavy metals</li> <li>Ignitable wastes</li> <li>Reactives</li> <li>Spent solvents</li> </ul>

Industry Type	Commonly Generated Hazardous Waste
Cleaning Agents	Acids/Bases Formaldehyde (Aldehydes) Heavy metals Ignitable wastes Spent solvents/Solvent-soaked rags
Construction	Acids/Bases Ignitable wastes Paint wastes Spent solvents
Dry Cleaning	Separator water Sludge/Still bottoms Spent filters & cartridges Spent solvents Spotting solutions
Educational/Vocational Shops	Acids/Bases Ignitable wastes Lead-acid batteries Paint booth filters/Paint wastes Pesticides Reactives Spent solvents/Solvent-soaked rags
Electroplating	Acids/Bases Cyanide wastes Heavy metals Ignitable wastes Paint booth filters/Paint wastes Plating wastes Reactives Spent solvents/Solvent-soaked rags
Equipment Repair	Acids/Bases Ignitable wastes Lead-acid batteries Paint wastes Spent solvents/Solvent-soaked rags
Funeral Services	Formaldehyde (Aldehydes) Preserving agents Spent solvents/Solvent-soaked cloths

Industry Type	Commonly Generated Hazardous Waste
Furniture/Wood Manufacturing/Refinishing	Ignitable wastes Paint booth filters/Paint wastes Preserving agents Spent solvents/Solvent-soaked rags
Hair/Nail/Tanning Salon	Dibutyl phthalate (DBP) Ethyl methacrylate (EMA) Fluorescent tubes Formaldehyde Hair dye Methyl methacrylate (MMA) Perm solutions Spent solvents/Solvent-soaked cotton balls
Laboratories	Shelf-expired chemicals such as: Acids/Bases Cyanide wastes Formaldehyde (Aldehydes) Heavy metals Ignitable wastes Preserving agents Reactives Spent solvents/Solvent-soaked cloths
Medical/Dental/Veterinary Clinics	Formaldehyde (Aldehydes) Heavy metals Insecticides/Pesticides Pharmaceutical wastes
Metalworking	Heavy metals Ignitable wastes Spent cutting oils or lubricants Spent solvents/Solvent-soaked cloths
Motor Freight Terminals/RR Transportation	Acids/Bases Cyanide wastes Heavy metals Ignitable wastes Lead-acid batteries Spent solvents/Solvent-soaked rags Used oil, antifreeze, refrigerant
Pesticide Application Note: Containers triple-rinsed or recycled through a qualified program.	Heavy metals Herbicides/Pesticides Ignitable wastes Spent solvents/Solvent-soaked rags

Industry Type	Commonly Generated Hazardous Waste
Photofinishing	Acids/Bases Formaldehyde (Aldehydes) Heavy metals Spent solvents/Solvent-soaked cloths
Pool/Spa Operators	Acids/Bases Algicides Chlorinated compounds Reactives
Printing/Graphics Arts	Acids/Bases Heavy metals Ink sludges Paint booth filters Plating wastes Spent solvents/Solvent-soaked rags
Schools Auto Shop Ceramic Arts Cosmetology Graphic Arts Horticulture Lab Classes (Chemistry, Biology) Photo Shop Wood Shop	See Autobody Shop & Automotive Repair  Heavy metals Paint booth filters/Paint wastes  See Hair/Nail/Tanning Salons  See Printing/Graphics Arts  Herbicides/Pesticides  See Laboratories  See Photofinishing  See Furniture/Wood Manufacturing/ Refinishing
Wood Preserving	Heavy metals Pesticides Preserving agents Spent solvents/Solvent-soaked rags
