What's In Your Backpack?

Follow the directions below and make your own pretend backpack.

Top sheet

HOW TO USE:

1. Write your name on the top sheet
2. Color in both sheets
3. Cut along the dotted line on the top sheet
4. Put glue in the gray area (labeled “glue here”), line pages up and glue them together
5. The “front” flap you cut should open to reveal the contents of your “backpack”
