

Doorknob Decor

Parents: Here is a tool your child can use to let you know when they're open to having conversations.

INSTRUCTIONS

1. Cut along the dotted line.
2. Fold in half and glue together.
3. Punch hole through small circle at top.
4. Loop yarn, string or rubber band(s) through the hole and hang from doorknob.

Flip to let others know your mood!

STOP means:

I'm tired or frustrated and need some time to myself to rest or calm down. Please don't bother me.

WAIT means:

I'm open to conversations with others. Please knock on my door first.
