

The following is an excerpt from the State Board of Health Water Recreation Facilities Regulations **Chapter 246-260-131(5) WAC** (effective October 31, 2004) regarding requirements for signage. Please be advised that signs indicating the following information must be posted:

Owners shall provide and maintain signage specifying user rules and safety information required by this section in a conspicuous place in the pool area with easily readable **lettering at least three-eighths of an inch high**.

All swimming, spa and wading pool facilities must have signs stating the following pool rules:

- With a lifeguard:
 - i. Prohibiting use by anyone running or participating in horseplay;
 - ii. Prohibiting use by anyone under the influence of alcohol or drugs;
 - * **iii. Prohibiting use by anyone with a communicable disease or anyone who has been ill with vomiting or diarrhea within the last two weeks;**
 - iv. Prohibiting anyone from bringing food or drink into the pool water;
 - v. Requiring everyone to have a cleansing shower before entering the pool;
 - * **vi. Requiring anyone in diapers to wear protective covering to prevent contamination;**
 - * **vii. Requiring diapers to be changed at designated diaper change areas;**
 - viii. Warning patrons that anyone refuses to obey the pool rules is subject to removal from the premises;
 - ix. Directing patrons to the location of the nearest telephone and first-aid kit for emergency use;
 - x. Advising patrons that anyone with seizure, heart, or circulatory problems should swim with a buddy; and
 - xi. Where diving boards are used, provide signs for proper use.
- Additional pool rules where lifeguard or attendant are **not present**:
 - i. If a child twelve years of age or less is using the pool, a responsible adult eighteen years of age or older must accompany the child and be at the pool or pool deck at all times the child uses the facility; and
 - ii. If an individual between thirteen years of age and seventeen years of age is using the pool, at least one other person must be at the pool facility.
- Additional pool rules for spa pool facilities:
 - i. Cautioning that children under the age of six should not use a spa pool;
 - * **ii. Cautioning that persons suffering from heart disease, diabetes, or high blood pressure should consult a physician before using a spa pool;**
 - iii. Cautioning that women who are or might be pregnant seek physician's advice regarding using a spa pool;
 - iv. Cautioning everyone to limit the stay in the spa pool to fifteen minutes at any one session; and
 - v. Posting the maximum bather capacity of each spa pool.
