

To Our Customers:

Thank you for your patience and understanding as we work to provide you with the best solutions for our services during the COVID-19 event.

To reduce person-to-person contact, and in support of [Governor Inslee's announcement](#), effective Monday, March 16, 2020 Snohomish Health District's Customer Service counter services will be suspended until further notice.

Most of our services can be accessed on line at www.snohd.org. Please call us at 425.339.5250 if you need assistance navigating our website, or have further questions.

Birth and Death Certificates

Birth and death certificates can be ordered through www.vitalchek.com. We will also accept applications by mail, email, or over the phone. For mail orders, please include payment with the application. For email and over the phone orders, we will take your payment over the phone. Applications can be emailed to VitalstatsDG@snohd.org, or call 425.339.5290 for staff to take your order over the phone.

Acknowledgement of Parentage (adding father or second parent) and Affidavit for Correction (birth and death) forms are available at www.doh.wa.gov, or call 360.236.4300.

Food Worker Classes

All in-person food worker classes have been cancelled until further notice. Food worker class information is available on our website, at www.snohd.org/225/Food-Worker-Cards. If you need further assistance, call 425.339.5250.

Restaurant and Septic System Submittals

All submittals will be accepted online or by mail. If you have a restaurant change of ownership, call 425.339.5250 or email EHQuestions@snohd.org.

Septic As-Builts

As-builts can be located on our website at www.snohd.org/159/As-Built-Records

Existing Open Invoices

To pay an existing invoice, select online payments at www.snohd.org. The invoice number and account number are located on the top of your invoice for your reference.

Water Bottle Testing

Snohomish Health District is not able to take water samples until further notice. Edge Analytical Laboratory is located at 1620 S. Walnut St., Burlington or call 800.755.9295. Drop Off: 8:00AM – 5:00PM (Mon. – Fri.).

Immunization and Lab Record Requests

Requests for Immunization and lab requests can be made via fax and mail. The [Authorization to Release Protected Health Information form](#) can be found at the link below. Records cannot be sent via email. wa-snohomishhealthdistrict.civicplus.com/315/4559/Immunizations-Labs.

Public Records Requests

These can be submitted online at www.snohd.org. Questions can be emailed to our Privacy and Public Records Officer, jabdulqadir@snohd.org, or call 425.339.8641.

Further Assistance

Email EHQuestions@snohd.org or call 425.339.5250 for further assistance.

Please continue to stay healthy.

Sincerely,

Snohomish Health District
