<td>Staff member and children or siblings shares that one or more within the family group presents with at least 1 of the following COVID-19 symptoms: Fever or chills; cough; shortness of breath/difficulty breathing; Fatigue; muscle or body aches; headache; new loss of taste or smell; sore throat; congestion or runny nose; nausea or vomiting; diarrhea.</td>
</tr>
</tbody>
</table>

### Who

**Multiple Family Members**
(e.g., district staff member with 1 or more children in the district; siblings)

- ☐ Enact plan to safely send family members home as quickly as possible.
- ☐ Can return to school once it has been 14 days since last close contact if they do not develop symptoms.
- ☐ Close affected rooms for 24 hours, or as long as possible, and then initiate cleaning/disinfecting protocol.
- ☐ Student documentation: symptoms, interventions, disposition.
- ☐ Staff documentation per District HR guidelines.
- ☐ Contact Snohomish Health District.

- ☐ Immediately go home.
- ☐ Can return to school once it has been 14 days since the last member of the household cleared their quarantine period. Contact the Snohomish Health District if assistance is needed in determining a safe return date.
- ☐ Close affected rooms for 24 hours, or as long as possible, and then initiate cleaning/disinfecting protocol.
- ☐ Staff documentation per District HR guidelines.
- ☐ Contact Snohomish Health District.

- ☐ Symptomatic person should immediately go home.
  - If not well enough, isolate staff/children in designated area with a disposable face mask and provide support to get home or to medical care.

- ☐ To return to school after a positive COVID-19 test result:
  - At least 24 hours have passed since recovery – defined as no fever without the use of medications and improvement in respiratory signs like cough and shortness of breath; **AND** At least 10 days have passed since signs first showed up.

- ☐ To return to school after a negative COVID-19 test result:
  - Until 24 hours after fever resolves and symptoms are improving.

- ☐ To return to school if no COVID-19 test is performed:
  - At least 10 days after symptom onset **AND** at least 24 hours after fever has resolved and symptoms improved.

- ☐ Close affected rooms for 24 hours, or as long as possible, and then initiate cleaning/disinfecting protocol.

- ☐ Staff documentation per District HR guidelines.
