

Pocket Card Instructions

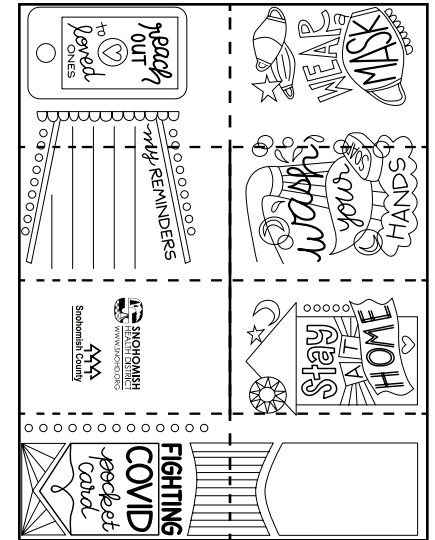

1. Fold in half vertically.

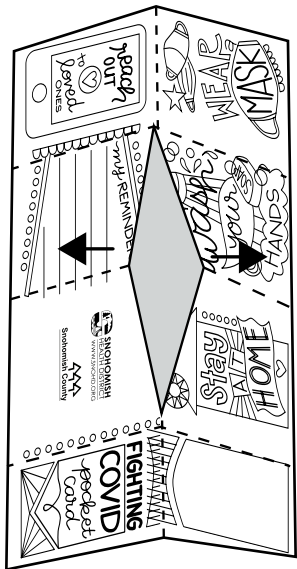

2. Fold in quarters horizontally.

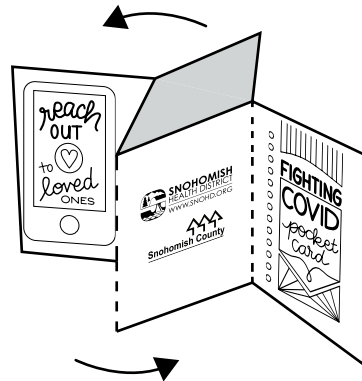

3. Fold in half, then cut a quarter in the middle (shown).

4. Open the sheet back up.

5. Fold in half vertically.

6. Push the top and bottom section together to make an "X" shape.

7. Fold in half so the cover is on the front and logos are on the back. You're done!

There are two versions of the Pocket Card--a black and white one that can be colored in, or one that is already in color. Whichever version you choose, enjoy!
