Make your own Online Puzzle

Upload one of your photos to www.im-a-puzzle.com and create your own puzzle. You will be able to choose the shape and difficulty of the puzzle. When finished, e-mail a link to your friends so they can play, too!

Paper Bag Puppets

Supplies:

Lunch-size paper bags, markers

Optional: Construction papers (various colors as desired), scissors, glue stick

Templates:

Search “easy paper bag puppets” online to find templates and other paper bag project ideas.

Rainbow Crayons

Supplies:

Old crayons, silicone baking mould in the desired shape and size of your new crayons, oven

Directions:

Take the wrappers off old crayons and then break the crayons into small pieces. You can choose what colors you’d like to put together, or just make one big crayon of the same color. Put the pieces in a silicone baking mould and bake in a 230°F oven for 20 minutes.

COVID Scrapbook

Although this pandemic won’t be forgotten soon, preserving our memories and souvenirs from this time is still valuable. Some examples of things to document include:

- favorite songs and jokes
- daily routines
- drawings and photos—life outside your window, personal protective equipment, people you love
- recipes and grocery shopping excursions
- school schedules and methods
- births, weddings and funerals
- your thoughts and feelings about daily life
