

**Joint Statement from Local Health Officers Regarding  
Need for Masks in Indoor Public Spaces**

The health officers of King, Pierce, Snohomish, Kitsap, Clallam, Jefferson, San Juan, and Grays Harbor counties have joined together to pass on their best public health advice to protect you, your family, and our communities. We recommend all residents wear facial coverings when in indoor public settings where the vaccination status of those around you is unknown. This step will help reduce the risk of COVID-19 to the public, including customers and workers, help stem the increase in COVID-19 cases and hospitalizations in many parts of the state and decrease the spread of the highly contagious Delta variant.

Vaccinations are our best defense against COVID-19 and are safe, effective, and readily available for everyone age 12 and over. Please get yours immediately if you are not already vaccinated.

**Hereby Signed July 26, 2021**

John Bausher MD PhD  
Grays Harbor County Health Officer

Allison Berry, MD MPH  
Clallam County Health Officer
