Instructions:

1. Print out at least 2 copies of the design you’d like to use. You may print out more if you wish. The sample pictured was made from 2 pages of each design.

2. Color in the designs, if applicable.

3. Cut out shapes and fold them in half vertically. The shapes should match in size.

4. Use a glue stick or tape to connect the blank sides of the folded halves until all the pieces are used up.

5. Stand up your centerpiece(s)!
