

Let's Wash Our Hands!

Washing hands with soap and warm water is an important way to get rid of germs and prevent illness.

INSTRUCTIONS

ON THIS PAGE:

1. Cut out the faucet/water and soap shapes.

ON THE FOLLOWING PAGE:

1. Trace each hand. Color them in if you'd like.
2. Paste the faucet/water shape in the dotted lines.
3. Paste the soap shape in the dotted lines.

Now it looks like you're washing your hands!
