

HEALTHY YOUTH SURVEY 2021

Opiates and Other Drugs

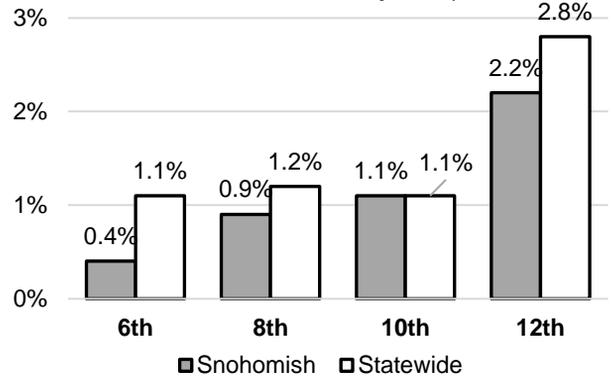

SNOHOMISH
HEALTH DISTRICT
WWW.SNOHD.ORG

In the past 30 days, have you used prescription pain killers such as Vicodin, OxyContin, or Percocet, **to get high**?

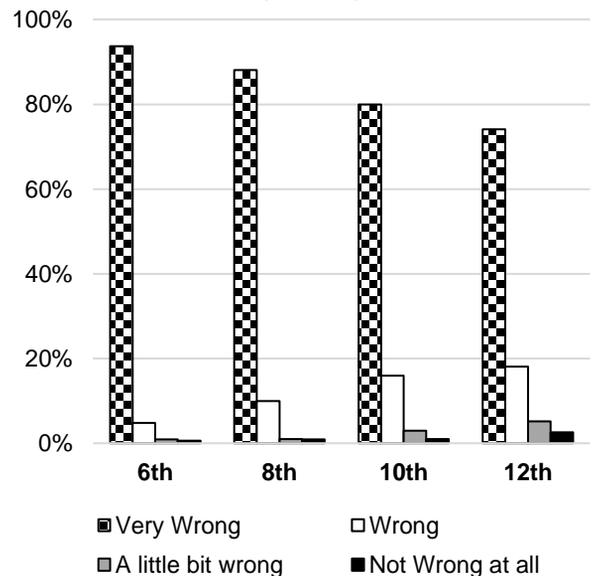

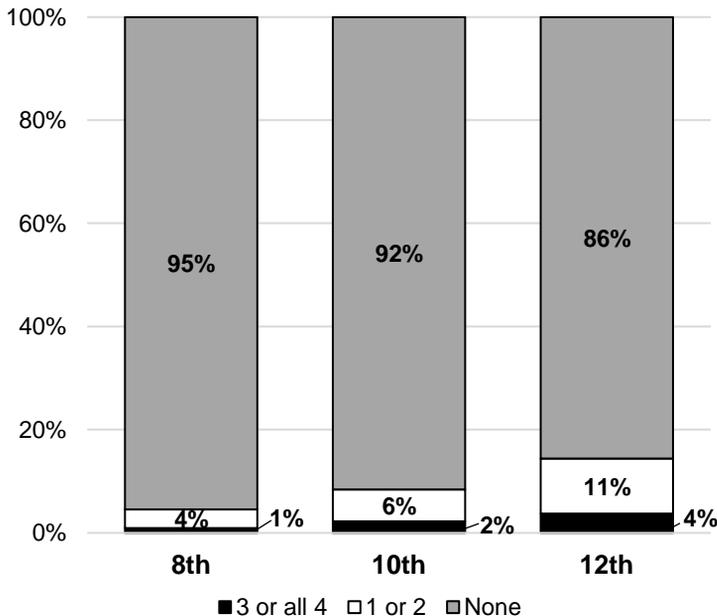

Recent (last 30 days) use of **any illegal drugs**? (Not including alcohol, tobacco, or marijuana)

There has been a persistent downward trend of students using prescription painkillers to get high in both Snohomish County and Statewide!

How wrong do you think it is for someone **your age** to use LSD, cocaine, amphetamines, or another illegal drug?

In the past year, how many of your 4 closest friends have used LSD, cocaine, amphetamines, or other illegal drugs?

Over 90% of all students agreed it is wrong or very wrong for someone their own age to be using LSD, cocaine, amphetamines, or other illegal drugs.

*These, among other differences seen in 2021, could be an artifact of changes to daily life during the pandemic. For more information, please visit www.askhys.net and www.snohd.org/hys
