Over half of our students have taken formal swimming lessons!

How good a *swimmer* do you think you are?

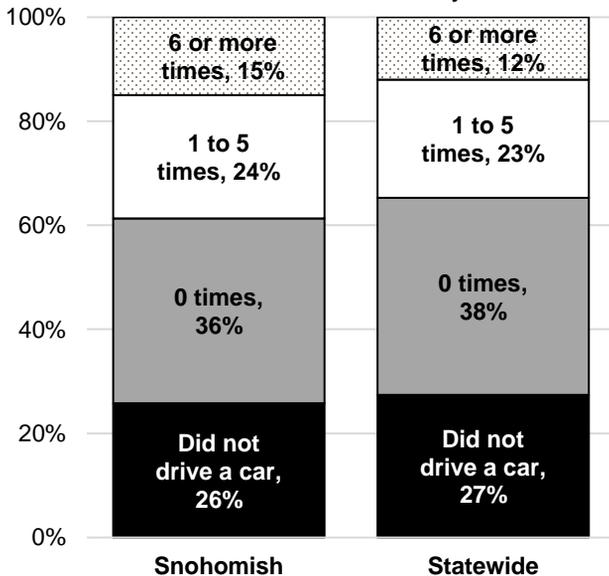

Percent of students who *have not engaged in a physical fight* in the last year

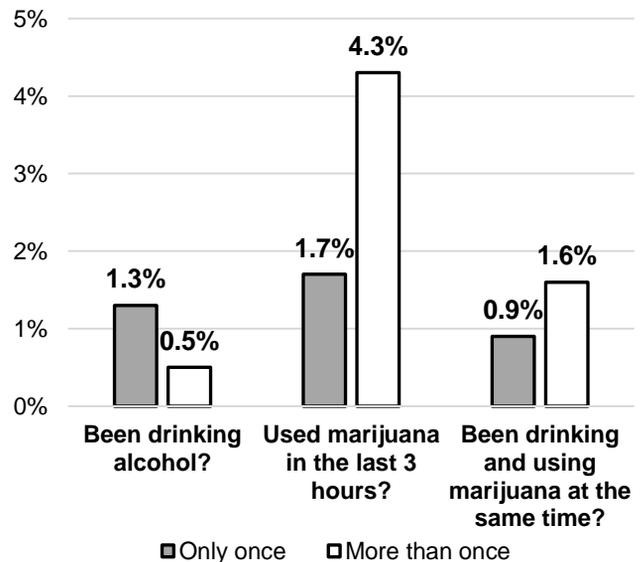

More than a third of our 12 graders report texting while driving in the last 30 days. According to the NHTSA, texting while driving increases a teen's risk of crashing by 23 times.

Very few students are reporting driving after drinking or using drugs. Nearly all our students ALWAYS drive sober!

12th Graders - How many times did you text or email *while driving a vehicle* in the last 30 days?

12th Graders - In the past 30 days have you driven a vehicle after you had done the following?

\*These, among other differences seen in 2021, could be an artifact of changes to daily life during the pandemic. For more information, please visit [www.askhys.net](http://www.askhys.net) and [www.snohd.org/hys](http://www.snohd.org/hys)
