Use this Caller Card to call the bingo game and keep track of which words you have already called.

1. Print two copies of this card.
2. Cut one copy up, fold each piece in half, and put them in a hat or bowl.
3. To call the bingo, pull a piece out of the hat or bowl, unfold it and read it out.

When you have called a word, check it off on the second copy of the caller card. You can use the second copy to check if a player has a winning card during a game.
